

ANIL KUMAR SHARMA

Ambitious IT student with Strong Programming Skills and A passion for Technology and Cyber Security

✉ anilsharma02050@gmail.com | ☎ +91 8521887686 | 🔗 [LinkedIn](#) | 💻 [GitHub](#)

SUMMARY

Motivated Bachelor of Computer Applications (BCA) student with a strong foundation in programming and web development. Passionate about cybersecurity and eager to apply technical skills to real-world challenges. Seeking opportunities to grow and contribute in the field of computer science and security.

EDUCATION

Bachelor of Computer Applications (BCA) | Pursuing
Nims University Rajasthan, Jaipur

Higher Secondary Education (Class XII) | Completed
Pragati Shiksha Sadan Secondary School
Kathmandu, Nepal

TECHNICAL SKILLS

Languages: Python • Java • C++

Web Technologies: HTML • CSS • JavaScript

Database: MongoDB

Microsoft Office: MS-Word • MS-PowerPoint • MS-Excel

CS Fundamentals: Object-Oriented Programming (OOPs) • Data Structures & Algorithms

Cybersecurity: Kali Linux • Testing Tools • Burp suit

Operating Systems: Windows • Kali Linux • Ubuntu

PROJECTS

◆ Deepfake Detection Web App

Built a web application to detect AI-generated deepfake images and videos using face-forensic++ data sets, helping users identify manipulated media content.

Tech: Python, Node Js, CSS, faceforensic++

◆ Weather Prediction Web App

Developed a real-time weather forecasting web app that fetches live weather data via APIs and displays temperature, humidity, real location time and forecasts for any location.

Tech: HTML, CSS, Weather API

EXTRACURRICULAR ACTIVITIES

◆ Internal Smart India Hackathon (NIMS University)

- Participated in university-level hackathon and got nominated for further rounds
- Collaborated in a team to design and develop innovative technical solutions under time constraints

◆ Aestr Alpha Hackathon (Suresh Gyan Vihar University, Jaipur)

- Competed at a national-level hackathon, gaining exposure to real-world problem-solving
- Worked on ideation, development and presentation of technical solutions in a competitive environment

AREAS OF INTEREST

- **Cybersecurity & Ethical Hacking:** Burpsuit, Nmap, Setoolkit, Zphisher, Ngrok
- **Full-Stack Web Development:** Frontend interfaces, REST APIs, database integration

LANGUAGES

- Hindi
- English
- Nepali
